FLOWER POLICY AND CEMETERY RULES

FLOWER POLICY FOR:

GREENWOOD MEMORIAL GARDENS CEMETERY

NEW ELM RIDGE CEMETERY

SIERRA MEMORIAL LAWN CEMETERY

FOREST VIEW CEMETERY

Effective January 1, 2013

Subject to change without notice

The placement of flowers on the graves of our loved ones is a time-honored tradition. It is an expression of love and remembrance to those who have passed from this life, and is a beautiful and effective memorialization. Until recent years, fresh cut flowers were used exclusively. Today, however, we note a trend towards the use of artificial flowers, treated blossoms and everlasting flowers. As these become dirty and unsightly, they create an impression of neglect rather than remembrance. If left on the grave for long periods of time they create problems of care and maintenance. For this reason the following regulations have been adopted by Hooper & Weaver Mortuary, Inc.

1. Artificial flowers, dry artificial wreaths or dried natural flowers are not permitted during the mowing season from approximately **March 1st to December 1st**. The lawns in Greenwood Memorial Gardens, New Elm Ridge, Sierra Memorial Lawn and Forest View Cemeteries are mowed once per week during mowing season. For this reason flowers are removed weekly from the grave. For information concerning mowing schedule please call (530) 265-2429.
2. Artificial flowers, dry artificial wreaths, or dried natural flowers may be placed on graves after December 1st and left there until March 1st (approximately) provided they are placed in a vase provided by the cemetery that is on the grave. If said flowers start to discolor, fade or deteriorate, our cemetery employees will remove and dispose of them.
3. No person or persons shall place or pour sand, gravel, rocks, cement, or any metal of any type in vases, jars, cans or flower containers because of the hazards to expensive mowing equipment.
4. Every reasonable effort will be made to care for flowers and containers placed on graves, but neither Hooper & Weaver Mortuary, Inc. nor any of its employees will be responsible for anything of a reasonable character that may be lost, stolen or misplaced.
5. Galvanized & zinc flower vases are available for purchase at Hooper & Weaver Mortuary. Please contact (530) 265-2429 for more information.

**RULES AND REGULATIONS FOR:
GREENWOOD MEMORIAL GARDENS CEMETERY
NEW ELM RIDGE CEMETERY
SIERRA MEMORIAL LAWN CEMETERY
FOREST VIEW CEMETERY**

Effective January 1, 2013

Subject to change without notice

1. Lots in the cemetery are conveyed for burial purposes only, subject to rules and regulations as are now in force, or as Hooper & Weaver Mortuary, Inc. may from time to time adopt.
2. No burial will be permitted in the cemeteries without a permit from the proper authorities.
3. No disinterment will be allowed except by authority of the owner of the plot in which the interment is made except by order of the court. A proper receipt for the remains must be given at the time of disinterment.
4. Hooper & Weaver Mortuary, Inc. reserves the right given them by law to exclude from any lot, any headstone, monument, or other structure, tree, plant or other object which may conflict with the regulations of which it shall consider injurious to the general appearance of the cemeteries.
5. No person or persons not employed by the cemetery authorities shall excavate any earth, lay or remove any sod or alter any ground of any wall or lot within the cemeteries, either on or about his own or another's lot, or plant, remove, or trim any tree or shrub without the consent of the General Manager of Hooper & Weaver Mortuary, Inc.
6. Trees may only be planted by permission of the General Manager of Hooper & Weaver Mortuary, Inc. The General Manager will determine the location. If any tree standing on any lot shall, by means of its roots, branches, or otherwise, becomes detrimental to adjacent lots or avenues, or interfere with the general design, Hooper & Weaver Mortuary, Inc. shall have the right to have removed such trees or shrubs, or any part thereof, as in their judgment may seem fit. (See guidelines for planting trees.)
7. No wooden or wire trellis, or arches shall be erected in any part of the cemeteries.
8. Foundations for all monuments must be of such dimensions as the monument may be required at the discretion of the General Manager of Hooper & Weaver Mortuary, Inc. Foundations cannot be poured without the permission of the General Manager of Hooper & Weaver Mortuary, Inc.
9. No headstone or monument that is homemade can be placed upon a grave. It must be purchased from a professional monument business.
10. Each single depth grave can have one casket and three sets of cremains or no casket and four sets of cremains. There will be a 2nd, 3rd, and 4th use of grave charge at the time of need. The grave can have no more than two headstones. Each double depth grave may have two caskets and two sets of cremains. There will be a 3rd and 4th use of grave charge for each set of cremains at time of need.
11. Certain areas of each cemetery allow only markers that are even with the ground. They must be made of solid granite, marble or bronze. All raised stone must be of the same material. All flush to the ground granite markers must be 4 inches thick to insure the strength and integrity of the granite marker.

12. A setting fee and foundation will be charged for all markers set by the cemetery employees. Hooper & Weaver Mortuary, Inc. has exclusive rights to set all headstones. All Government Markers should be delivered to Hooper & Weaver Mortuary at 459 Hollow Way, Nevada City, California.

FLOWER POLICY AND CEMETERY RULES

FLOWER POLICY FOR:
GREENWOOD MEMORIAL GARDENS CEMETERY
NEW ELM RIDGE CEMETERY
SIERRA MEMORIAL LAWN CEMETERY
FOREST VIEW CEMETERY
Effective January 1, 2013
Subject to change without notice

The placement of flowers on the graves of our loved ones is a time-honored tradition. It is an expression of love and remembrance to those who have passed from this life, and is a beautiful and effective memorialization. Until recent years, fresh cut flowers were used exclusively. Today, however, we note a trend towards the use of artificial flowers, treated blossoms and everlasting flowers. As these become dirty and unsightly, they create an impression of neglect rather than remembrance. If left on the grave for long periods of time they create problems of care and maintenance. For this reason the following regulations have been adopted by Hooper & Weaver Mortuary, Inc.

1. Artificial flowers, dry artificial wreaths or dried natural flowers are not permitted during the mowing season from approximately **March 1st to December 1st**. The lawns in Greenwood Memorial Gardens, New Elm Ridge, Sierra Memorial Lawn and Forest View Cemeteries are mowed once per week during mowing season. For this reason flowers are removed weekly from the grave. For information concerning mowing schedule please call (530) 265-2429.
2. Artificial flowers, dry artificial wreaths, or dried natural flowers may be placed on graves after December 1st and left there until March 1st (approximately) provided they are placed in a vase provided by the cemetery that is on the grave. If said flowers start to discolor, fade or deteriorate, our cemetery employees will remove and dispose of them.
3. No person or persons shall place or pour sand, gravel, rocks, cement, or any metal of any type in vases, jars, cans or flower containers because of the hazards to expensive mowing equipment.
4. Every reasonable effort will be made to care for flowers and containers placed on graves, but neither Hooper & Weaver Mortuary, Inc. nor any of its employees will be responsible for anything of a reasonable character that may be lost, stolen or misplaced.
5. Galvanized & zinc flower vases are available for purchase at Hooper & Weaver Mortuary. Please contact (530) 265-2429 for more information.

6. Trees may only be planted by permission of the General Manager of Hooper & Weaver Mortuary, Inc. The General Manager will determine the location. AND CEMETERY RULES**

FLOWER POLICY FOR:

**GREENWOOD MEMORIAL GARDENS CEMETERY
NEW ELM RIDGE CEMETERY
SIERRA MEMORIAL LAWN CEMETERY
FOREST VIEW CEMETERY**

Effective January 1, 2013

Subject to change without notice

The placement of flowers on the graves of our loved ones is a time-honored tradition. It is an expression of love and remembrance to those who have passed from this life, and is a beautiful and effective memorialization. Until recent years, fresh cut flowers were used exclusively. Today, however, we note a trend towards the use of artificial flowers, treated blossoms and everlasting flowers. As these become dirty and unsightly, they create an impression of neglect rather than remembrance. If left on the grave for long periods of time they create problems of care and maintenance. For this reason the following regulations have been adopted by Hooper & Weaver Mortuary, Inc.

1. Artificial flowers, dry artificial wreaths or dried natural flowers are not permitted during the mowing season from approximately **March 1st to December 1st**. The lawns in Greenwood Memorial Gardens, New Elm Ridge, Sierra Memorial Lawn and Forest View Cemeteries are mowed once per week during mowing season. For this reason flowers are removed weekly from the grave. For information concerning mowing schedule please call (530) 265-2429.
2. Artificial flowers, dry artificial wreaths, or dried natural flowers may be placed on graves after December 1st and left there until March 1st (approximately) provided they are placed in a vase provided by the cemetery that is on the grave. If said flowers start to discolor, fade or deteriorate, our cemetery employees will remove and dispose of them.
3. No person or persons shall place or pour sand, gravel, rocks, cement, or any metal of any type in vases, jars, cans or flower containers because of the hazards to expensive mowing equipment.
4. Every reasonable effort will be made to care for flowers and containers placed on graves, but neither Hooper & Weaver Mortuary, Inc. nor any of its employees will be responsible for anything of a reasonable character that may be lost, stolen or misplaced.
5. Galvanized & zinc flower vases are available for purchase at Hooper & Weaver Mortuary. Please contact (530) 265-2429 for more information.
